Cows are a-moooin'  
Geese just flew in  
They've already woke  
Chickens are clucking  
Farmers are trucking Frogs are all a croak  
The sun is a-shinin'  
So quit your whinin'  
We gotta bale some hay  
Ducks are quackin'  
So let's get cracking  
It's a beautiful day

Wake up, wake up, sleepyhead  
Listen to what I say  
Cock-a-doodle-doo, get out of bed  
It's a beautiful day

Soft, soft sheep  
Woke up from their sleep  
A couple hours ago  
Turtles in the pond  
Got up at dawn I guess they're not that slow  
Flowers are bloomin'  
And I'm presumin'  
You don't want to waste away  
So pitter-patter, let's get at 'er  
It's a beautiful day

Wake up, wake up, sleepyhead  
Listen to what I say  
Cock-a-doodle-doo, get out of bed  
It's a beautiful day

Birds are chirpin'  
They may be flirtin'  
It's tricky to translate  
If you wanna try  
Some Piggy Plum Pie  
You better not hesitate  
Horses and the hogs  
The cats and the dogs

They're all ready to play  
Every day's a surprise So open your eyes  
It's a beautiful day

Wake up, wake up, sleepyhead  
Listen to what I say  
Cock-a-doodle-doo, get out of bed  
It's a beautiful day

Over on the hill  
The daffodils  
Are dancing with the trees  
While up in the sky  
The butterflies  
Are gliding in the breeze  
The sky so blue Is waiting for you  
As the wispy willows sway  
The roosters are crowin'  
So let's get goin'  
It's a beautiful day

Wake up, wake up, sleepyhead  
Listen to what I say  
Cock-a-doodle-doo, get out of bed  
It's a beautiful day

La, la, la, la, it's a beautiful day  
La, la, la, la, it's a beautiful day  
La, la, la, la, it's a beautiful day  
La, la, la, la, it's a beautiful day  
La, la, la, la, it's a beautiful day...
