Crowd cheering

LION:

I got a big ol' head of hair,
I like to shake it everywhere
Oh baby, it's good to be the king
They say the jungle is a scary place
Don't worry honey, I'll keep you safe
Oh baby, it's good to be the king

Crowd cheering

LION:

Oh I can sing, I can dance

LION & BACKUP SINGERS:

Woo-hoo! Hoo-hoo!

LION:

I'm not adverse, to romance

If you like me, then I like you
I've got a throne that's built for two
Oh baby, it's good to be the king

I've got friends, hanging up tall trees
They all wanna, swing with me

Watch me shimmy, and shake my hips
Oh baby, it's good to be the king
