I've got a coat, that all the gals love,
They think I'm debonair.
When I strut my stuff, they love my fluff,
But-uh, what do I care?

You know there's only one gal for me,
I told you before and it's true...
I've gotta lotta soft spots for you!

You're a strawberry leopard with a shimmerin' face,
I just can't, forget.
I run after you, all over the place,
But you're, playing hard-to-get!

I'm the only cat for you,
I'm as sweet as honey, without the goo!
I've gotta lotta soft spots for you!

Count em with me now!
One, Two, Three. (ooh, wee, ooh!)
Baby, can't you see?
Four, Five, Six. (ooh, ooh, ooh)
I'm so love sick!
Seven, Eight, Nine. (ooh, wee, ooh!)
Won't you please be mine?
I gotta lotta soft spots for you!

Now, where is that strawberry leopard I have seen? I've
gotta hide.
Aha! There she is! I'll get her right away.

Hey, sweetheart, I got a sofa, I know you'll love,
Where we can watch TV,
There's a couple of monkeys, waitin' for us,
And I, write poetry!

Roses are red, honey violets are blue!
I'm a sweet loving leopard who's crazy bout you!
I gotta lotta soft spots for you!
I gotta lotta soft spots for yooooou!
