I'm as loyal as loyal can be
On that you can rely
When you're walkin' down the street
I'll be by Your side

When clouds roll in
And the Sky is gray
Just call me
Go hey, hey, hey
I'm with You and everything
I just wanna be Your friend

I Just wanna be
Just wanna be
I Just wanna be
Just wanna be
I Just wanna be
Just wanna be
I Just wanna be your friend

When you wanna play in the middle of the day
Call me on the phone

I'll be there without delay
So you're not alone

We'll play Tag or Hide-n-Seek
I won't be bad and sneek a peek
I said it before
And I'll always contend
I just wanna be your friend

True friends stick together
Through thick and thin
Whatever the weather
Whatever jams they're in

So if you need a helping hand
You can count on mine
Just give me a hollar
Grab my collar

Or just hold up a sign
I'll come running Lickety-Split
Wearin' my very best outfit
On this pal you can depend
I just wanna be your friend

I Just wanna be
Just wanna be
I Just wanna be
Just wanna be
I Just wanna be
Just wanna be
I Just wanna be your friend
