When you fall off your horse, take this tip my friend
Get right back up on that horse again
Dust off your shirt, and straighten your hat
Whatever you do, don't be a scaredy scaredy cat

When you hear the music, get up and dance (no
scaredy cat)
Don't be afraid to take a chance (woah)
Conquering your fears is where it's at
Whatever you do, don't be a scaredy scaredy cat

Whatever you want to do
Don't go around crying "boo-hoo-hoo"
Nobody wants to listen to that
Whatever you do, don't be a scaredy scaredy cat

When you hear the music, get up and dance (no
scaredy cat)
Don't be afraid to take a chance (woah)
Conquering your fears is where it's at
Whatever you do, don't be a scaredy scaredy cat

(Scaredy cat Scaredy scaredy cat cat
Scaredy cat Scaredy scaredy cat cat
Scaredy cat Scaredy scaredy cat cat
Scaredy cat Scaredy scaredy cat cat)

If there's somebody that you wanna talk to
But you're a little bit shy and not feeling cool
Just stroll right up and start to chat
Whatever you do, don't be a scaredy scaredy cat

When you hear the music, get up and dance (no
scaredy cat)
Don't be afraid to take a chance (woah)
Conquering your fears is where it's at
Whatever you do, don't be a scaredy scaredy cat

Love is a puzzle, we'll figure it out
Sing a song and sing it loud
Don't you worry if you're a little bit flat

Whatever you do, don't be a scaredy scaredy cat

when you hear the music, get up and dance (no scardy
cat)

don't be afraid to take a chance (woah)

conquering your fears is where it's at

whatever you do, don't be a scaredy scaredy cat

Thanks to alex
