BLUFADOODLE:

There. My camcorder is already on. trips over wire
Whoa! Oof! I'm OK.

GIRLY KING CHARLES SPANIEL:

Here we go. hitting drumsticks

BLUFADOODLE:

You don't know, you don't know, but I'm not going
there.

There's one thing that I know, that I don't think is fair.
You always tell me all those things you're gonna do.
But in the end you never ever do come through.

Stay, stay
Stay, stay
Stay away from me.
Stay, stay
Stay, stay
Stay away from me.

The last time, I saw you, you were in the park.
Doing things you shouldn't do,
Day and week past dark.
My mom told me I should always use my head,
So when you call me over this is what I said.

Stay, stay
Stay, stay
Stay away from me.
Stay, stay
Stay, stay
Stay away from me.

(Guitar Solo)

Your always speak out for both sides of your mouth,
Sometimes it's so hard to know what it's all about.
You talk about other people,
All you do is smear.
So if you call me on the phone,

This is what you'll hear.

Stay, stay
Stay, stay
Stay away from me.
Stay, stay
Stay, stay
Stay away from me.

(Guitar Solo)

I sure hope, that we'll see,
You'll have better days.
You'll start being kind to others,
And you'll change your ways.
But until that happens, all I have to say is...
Don't come near me anytime soon you'd better stay
away!

Stay, stay
Stay, stay
Stay away from me. (Stay Away!)
Stay, stay, stay, stay, stay
You stay away from me!
