WALRUS:

(What's the coolest thing about Webkinz?  
What's the coolest thing about Webkinz?  
What's the coolest thing about Webkinz?)  
What's the coolest thing about Webkinz? Coolest thing?  
Oh, what's the coolest thing about Webkinz?

BENGAL TIGER:

I love whippin' through mazes, grabbin' Moolah with ease  
I go crazy for treasure, when I find me some keys  
Need some Hamsters, 'cos you know they be Mazin'  
See my girl Alyssa and we go stargazin'  
Head to the factory, Amanda's waitin'  
Make my wish with no hesitatin'  
Me, I'm kinda hungry after makin' my wish  
So I head back on home for some Squishadish

The coolest thing is everything  
Coolest thing is everything, everything  
Coolest thing is everything  
Coolest thing is everything

PINK GOOGLES:

Want some fun? Head to the Arcade  
Got so much KinzCash after I've played  
Tournament Arena, me versus you  
Rock, Paper, Scissors, Chef Challenge too  
The judges love me, there's no contemplation  
'Cos I got me a KP education  
Miss Cowoline tells me to go to class  
And if I work real hard, I know I'll pass

The coolest thing is everything  
Coolest thing is everything  
Coolest thing is everything, everything  
Coolest thing is everything, everything, everything, is  
every-everything

PUG:

Employment Office, there's work to be done

But my girl Tabby-Tabs makes it so much fun  
Right after that, I forgot to mention  
Visit Quizzzy's Corner to answer some questions  
Just one more stop, it's not too far  
Gonna listen to some tunes at the Music Starz  
In Webkinz World, never a dull moment  
And you'll laugh wonderin' where the time went

The coolest thing is everything  
The cool-cool-cool-coolest thing is everything  
Coolest thing is ev-ev-ev-ev-coolest thing is everything

SILVERBACK GORILLA:

Gonna take a break at the W-Shop  
Rollin' in KinzCash, gonna shop 'til I drop  
You know you love me, so don't be hatin'  
While you watch me just redecoratin'  
The Curio Shop, and the wonderful crown  
Back to the Clubhouse, with my crew around  
Head to the Park, is what we do  
Buy an ice cream cone from Mr. Moo

The coolest thing is everything  
The cool-cool-the coolest thing is everything  
The coolest thing is everything, is everything

WALRUS:

Zingoz, Bingoz, you know the lingoz  
Canaries, Good Faries, and rockin' Jumbleberries  
Styles, smiles, stay for a while  
I'm bakin', I'm snakin', live on tour and I'm shakin'  
Dog, rug, Hug a Pug  
Shark, park, Home Before Dark  
Education, (?) total domination

The coolest thing is everything  
The coolest thing is everything  
The coolest thing is everything...
