I've seen a lot of pretty horses before  
But never one quite like you  
With your cute eyelashes and your flowing mane,  
It's clear that they were mine to be blue  
And if they had a beauty pageant this evening  
I'm sure you'd win a crown  
And I hope when I tell you believe me  
You're the prettiest pink pony in town

Hey! Hey!

Rosy Afalfa Alfredo  
Is your very, favorite food  
And I know you have a stylish treadmill  
That matches your glittering hooves  
I know the next time I see you,  
You're sure to make me smile  
All those other kinz they just want to be you  
At least just for a while

And if they had a beauty pageant this evening  
I'm sure you'd win a crown  
And I hope when I tell you believe me  
You're the prettiest pink pony in town

In town  
In town!  
Yeeeah!

You know, if I say that you are the prettiest pink  
Pony in town, I mean myself.  
My friends are very proud of me because I won my  
awards.  
And look! They've got the pink pony hooves and manes  
In the Curio Shop. I'm so glad one of the girls called  
Me Victoria. I think they have been sold by Arte himself.

You're the prettiest pink pony in town!  
You're the prettiest pink pony in town!  
You're the prettiest pink pony in town!

And I know the next time I see you,  
You're sure to make me smile!  
And I hope when I tell you believe me  
You're the prettiest pink pony in town!  
And I hope when I tell you believe me  
That you're the prettiest pink pony in town!
