I like your green and blue eyes  
I like your cute little nose  
I like your pointed ears  
And all four of your toes!  
I hear you hang in the alley  
You know all the drain pipes  
But tell me, tell me, where did you get those stripes?

You've got a cool Dude Hat  
You love Spiced Salmon Strudel  
Like all Alley Cats  
You don't hang with Poodles  
I hear you like the music  
You play a mean bagpipe  
But tell me, tell me, where did you get those stripes?

I've seen a lot of Cats in my days  
Black, Brown, Orange and White  
I've never quite seen one like you before  
You're such a cool, cool sight!

Where, tell me where did you get those stripes  
Where, tell me where did you get those stripes  
Where, tell me where did you get those stripes  
Where, tell me where did you get those stripes  
Tell me, tell me, where did you get those stripes?

Where, tell me where did you get those stripes  
Where, tell me where did you get those stripes  
Where, tell me where did you get those stripes  
Where, tell me where did you get those stripes  
Tell me, tell me, where did you get those stripes?

Where, tell me where did you get those stripes  
Where, tell me where did you get those stripes  
Where, tell me where did you get those stripes  
Where, tell me where did you get those stripes

Where, tell me where did you get those stripes

Where, tell me where did you get those stripes
