Now you're back into my life again
Yeah, you're back into my life again
Girl, you're back into my life again

And I'm so glad
'Cause baby, I'm so glad

'Cause you're back into my life again
Yeah, you're back into my life again
Girl, you're back into my life again

And I'm so glad
And baby, I'm so glad

How could my love, fit so fine
My life was searching for some peace of mind
I lost a finest girl I'll ever find
And baby, I need you with me all the time

You went away, away from my sight
Now you're back and now I'm satisfied

'Cause you're back into my life again
Girl, you're back into my life again
Yeah, you're back into my life again

And I'm so glad
'Cause baby, I'm so glad

I'm so excited, I'm so excited
I'm so excited, I'm so excited
I'm so glad

Back into my life again
Girl, you're back into my life again
Yeah, you're back into my life again

And I'm so glad
And baby, I'm so glad

'Cause you're back into my life again
Girl, you're back into my life again

Girl, you're back into my life again

And I'm so glad
And baby, I'm so glad
