[Verse 1]

I let you show me his moves
Let you do what he taught you
Let you reminisce how you used, to do
Girl I'm open to anything that would get you into that
zone
Baby I can stay up all night
And understand that we're all alone
So you can slowly take off you're clothes
Baby you know what's in store
Baby I can stay up all night
I've been goin' hard since last night
And I'mma go harder tonight
Wish you can see you through my eyes
Ooh I'm tellin' you this ain't the same
And I know he's still in your brain
I'm 'bout to burn that shit into flames
Once I'm in you
Baby

[Hook]

I can't let you know
Make yourself at home
'Cuz baby when I'm finished with ya you won't wanna
go
Outside

[Verse 2]

And I'mma work you like a pro, baby

While, you gon' take it like one
Yeah you gon' take it like one
And I'mma give it like ya asked for it
Why, cuz you been talkin' 'bout it
Know you been talkin' 'bout it
Ooh baby when I'm done with you
You ain't sayin nothin'
Yeah you ain't sayin nothin'
Ooh baby when I'm done with you
You ain't sayin nothin'
Yeah you ain't sayin nothin'

You gon' make me show off
All the pain that you feel you can tell that we ain't makin
no love
But I'll pretend
Oh girl, I'll pretend
If you pretend then girl I'll pretend
Let's make it seem like we're all we need in the end

[Hook]
I can't let you know
Make yourself at home
'Cuz baby when I'm finished with ya you won't wanna
go
Outside
