I'm trying to figure out what went wrong
Watching the children play in the sun
Soul free from hate, their life just begun
Why does it feel like mine is gone?

I know your will is strong,
but I'm better off alone
Loneliness became my sanctuary
Scared to let go

Who will be my strength when I am weak
You'll win this game today
Don't you forget
Who will be my voice when I can't speak
Reload your gun and play
Bulletproof Roulette

Tied up in problems, losing control
I thought that I learned my lesson this far
Control is a silly thing to regret
When you could lose your heart

Memories...
I know these wounds will heal
but the scars will still remain
Sympathy...
for everyone in pain
Like our lives would be in vain

Who will be my eyes when I can't see?
You'll win this game today
Don't you forget
Who will ever help me to be free?
Reload your gun and play
Bulletproof Roulette

Who will be my strength when I am weak?
Who will be my voice when I can't speak?
Who will be my eyes when I can't see?
Will I ever be free?
