I traveled far, Discovered space
It's like I know this place
I have a feeling we have met before
Aaah..

But everything is new
And all our dreams will soon come true
I came to paradise
With you

Dã©jã Vu Dã©jã Vu
We were meant to be together
Dã©jã Vu Dã©jã Vu
Written in the skies
And that's the way of love

Somebody brought you here to see
A shape of destiny
You have a feeling we've been here before
Aaah..

So enter here with me,
Where nothings like it seems to be
together for eternity

Dã©jã Vu Dã©jã Vu
We were meant to be together
Dã©jã Vu Dã©jã Vu
Written in the skies
And that's the way of love

But even though it's just a dream
Let's fall asleep to let us meet
Just once again
Aaah..

Dã©jã Vu Dã©jã Vu
We were meant to be together
Dã©jã Vu Dã©jã Vu
Written in the skies
And that is

Dã©jã Vu Dã©jã Vu
We were ent to be together
Dã©jã Vu Dã©jã Vu
And that's the way of love
