Summer, pictures that play in my mind  
Dream of an innocent time, dear  
Flowers and 4th of Julys, dear  
Summer is still on my mind

Summer, a bitter sweet lemonade  
Under kaleidoscope shade  
We, lay as the sunlight was fading  
Summer was fading away

Now it has gone away  
But like it was yesterday

Ref:  
(That) I can remember  
I still remember  
When everyday was bright and golden  
As the sun  
I can remember  
Can you remember?  
When we were unafraid to take life  
As it comes  
I dream of a Summer  
Fading as fast as a Tan  
Just like a wave still in sand  
From under your feet where the land was  
Summer can slip through your hands

Lover you were so gentle and warm  
But left to weather the winter  
Fair-weather love can turn bitter  
Fair-weather love can turn cold  
And though it was long ago  
I thought you ought to know

Repeat ref 2X

Summer, hopelessly lost to the past  
But time will make greener the grass, dear  
Nothing so perfect can last dear  
Nothing so perfect can last dear  
Nothing so perfect can last. . .
