A lot of people making crazy suggestions now

Dem dey yarn dem *tory* now

They are wondering what I'm doin now

They are wanna see where I be goin but I'm moving
now

I'm bringing u da flava now

Nd I'm singing my song

Verse 2

Can I still rock da stage

Can I leave da people in a daze

I could make da crowd go hey

I could leave with a track that I'll make u dance for days

Do I still gat da groove going on

Do I still gat da beat got da flava going on

Can I drop my hooks on

Now I'm singing my song oh oh oh

Repeat Hook

Verse 3

I thank da lord for blessing me

N I'm grateful for the things He did to set me free

Fun ore ti ese funmi

He was da only one

Cuz when da world was stressing me

Nobody ever came around 2 rescue me

They even tried 2 change my destiny

He was da only one

Repeat Hook

Uh uh, I'm still down
Uh uh, move da crowd
Uh uh, breaking new ground

I dey
I still dey maintain
Thanks to those who know were really concerned
