Talk

Dis song was written when I was going thru a down period in my life

There were a lot of crazy things going on

I knew I had 2 stay strong

I knew I had 2 overcome n dis is how I overcame

Listen

Verse 1

Lord u lifted me up when I was down spread on da floor

I got tired of living, thinking it was over

But u gave me ur hand

Lord I gotta giv u praise

Hook

Tireni, oluwa tireni, ope yi o tireni, yeah

Tire ni, baba tireni, ope yi o tireni

I wanna thank u from da bottom of my heart

Yeah yeah

Woo huu

Verse 2

You kept me going on, so I could rise thru da fire

I found new joy

I gotta testify, almost gave up on life

But there's a love somewhere

I just gotta say

Repeat Hook

1st Bridge

Was feeling down and so empty, cuz deep inside I had nothing

I had no hope, I couldn't cope, couldn't face a day on my own

Heard a beautiful voice calling, telling me now I am something

I can go on, I can be strong, now I can make it on my own

Repeat Hook

2nd Bridge
I thank u 4 helping me
I thank u 4 blessing me
I thank u Lord
Ese o Baba
I praise u 4 healing me
I praise u 4 lifting me
I praise u Lord
Ese o Baba
I thank u 4 holding me
I thank u 4 touching me
I thank u Lord
Ese o Baba
I praise u 4 loving me
I praise u 4 protecting me
I praise u Lord
Ese o Baba
