I think we were five when we met
We were so alive then and yet
We would not survive
Now i know
Yours was not a face to grow old
Oh oh no my old soul
You left me much too soon
How i love you
Oh i
I was so surprised when you left
I was like a child how i wept
But i guess it's ok now
Go to sleep
And i will pray the lord your soul to keep
Oh oh no my old soul
You left me much too soon
Much much too soon
How i love you
Oh i
Somewhere down the road i will be walking
And everything i know will be following
Maybe then i'll see you
And i will tell you
You always were an angel to me
