These nightmares I'm falling in my sleep,  
And I can't fight myself I'm falling so elusively out of  
this dream.

And I can't help but scream,  
I'm so lost in searching looking for you,  
But I'll be damned if can't find you.

This is so much harder, than it seems.  
These past few nights I can't get you outta my dreams.

(Shake me! ) To the rhythm of our broken hearts.  
(Shake me! ) You and me we are the only ones, only  
ones.  
Can't count on anyone, we're all alone.  
(Shaken! ) With the rhythm of our lonely hearts, lonely  
hearts.

These nightmares well they all have a theme.  
We get broken down in moments so,  
Helpless when I'm so far from you.  
And my muscles scream,  
I can't stand when I can't hold you nightly,  
Gripping my love for you tightly.

This is so much harder, than it seems.  
These past few nights I can't get you outta my dreams.

(Shake me! ) To the rhythm of our broken hearts.  
(Shake me! ) You and me we are the only ones, only  
ones.  
Can't count on anyone, we're all alone.  
(Shaken! ) With the rhythm of our lonely hearts, lonely  
hearts.

I just want you to know,  
I never asked you to understand.  
Please just think of what it means to me.

I just want you to know,  
I never asked you to understand.  
Please just think of what it means to me.

These nightmares I'm falling in my sleep,  
And I can't fight myself I'm falling so elusively out of  
this dream.

(Shake me! ) To the rhythm of our broken hearts.  
(Shake me! ) You and me we are the only ones, only  
ones.  
Can't count on anyone, we're all alone.  
(Shaken! ) With the rhythm of our lonely hearts, lonely  
hearts.
