Ayo
It aint nothing new
Yeah

[Verse 1]

Yeah you know that I do it all nice
Dress be painted on because it fits them girls so tight
Get her in the bedroom you know I'll fuck her all night
My nerves be very calm because I get that daily pre flight
That means that I get a real high, but always keep my grind up
Them other dudes on teeny shit they need to get they size up
In the studio on the reg is where you find us
And your girl wants to fuck because my name is up in lights plus
I'm fucking crazy man a few of them be hating man
But it is all worth it when I meet appreciative fans
One thing that I know, is how to keep it real
And I'm on this unexpected shit to tell u how I feel man

[Hook]

Just by looking at us you can tell we aint the same
And you can't tell me nothing cause I'm winning in this game yeah (yeah)
Look into my eyes, you can I'm faded but I'm shooting for the skies oh (oh)
You can't tell me nothing (HEY)
You can't tell me nothing (nothing)
You can't tell me nothing (HEY)
You can't tell me nothing (nothing)

[Verse 2]

October 28th, man the world got better
I came up out my moms and the nurses got wetter
I'm dangerous on the track cause I go opposite of soft
It's Wem motherfucker with the safety clicked off
Here with a shovel just to bury this shit
Cause I'm a go getter so I goes and gets it
You better call the doctor when you decide to stare at

me

My style will give u cataracts go get U.V therapy
I'm about as wild as the motherfucking western
And bitch I'm hotter then the devil in the dessert
We don't have to fuck girl we can just chill
Cause after you leave your best girlfriend will
Damn, you should go and get a grip
When I walk up anywhere all the bitches say "dibs"
Been on this shit forever and I will always be ahead
But that goes without saying so it don't need to be said

[Hook]

Just by looking at us you can tell we aint the same
And you can't tell me nothing cause I'm winning in this
game yeah (yeah)
Look into my eyes, you can I'm faded but I'm shooting
for the skies oh (oh)
You can't tell me nothing (HEY)
You can't tell me nothing (nothing)
You can't tell me nothing (HEY)
You can't tell me nothing (nothing)
