This better not be no bullshit either

What the fuck is this ?

[spice 1]

Hello you reached the motherfuckin s-p-i-c-e

Meet with this nigga from 187 faculty

I'm fuckin it up cause i'm a nigga from the old school

Straight out the roots like some motherfuckin soul food

Niggas and bitches hear my rhyme and they be gettin
loose

Because 187 proof will get the hoes juiced

Excuse expression but I'm simply just a crazy nigga

Who can't help kickin the funky shit to make my pockets
bigger

And try to school s-p-i-c-e get a late pass

Because the fac is pumpin your ass up like a gauge
blast

A-n-t-b-a-n-k-s is kickin funky jams

Knockin your niggas out the box like a batterram

I got the faculty in back of me don't mess with me

Cause murderism is my motherfuckin specialty

Comin with the gangsta shit I kick it all the time bitch

Talkin bout killin motherfuckers dumpin 'em in a ditch

Cause if it's funky yo it's funky nigga deal wit it

Punk ass niggas be comin fake I'm comin real wit it

I'm sick as fuck so don't step to me and play me close

I'll have you hung from a motherfuckin phone post

Spice 1 is kickin that funky gangsta shit thats hardly
pure

I won't be needin a doctor

187's the cure

Because I'm quick to pick the phone up and say : fuck
em all

This is an obscene phone call
