She was five eleven, six one with high heels
Tick-old biddy remind me of a catty's grill
Daddy's ill, slappin' that ass off pimp pills
and hit it on the flo' from the back where she still live
(It's Spiceberg Slim here), naked women, two thousand
three Benzo
with all the trimmings, had my t-shirt and my boxers on
Hearin' "longest" I be given take a ride and side slip
over the phones
Hittin' it for a minute, back up off it (back up off it)
Fuck it, get bucket naked so I can toss it
Ain't no two minute nigga, a few minute nigga
I'll take another shower, spend a few hours in her
Send her back feelin' like she got of her flight
Got her lookin' for me in the day time with a flashlight
My little soldiers on a mission hit the pole and position
And your naked body, got 'em standin' with bad
intentionin'

(

Damn I got my jacket caught up in your peanut butter

Wrestlin' ass naked while we be under the covers

Let you pin me down, playin' around, pullin' your hair

Smokin' the air, clothes everywhere, holdin' the playa

Clap two times and the lights go out (clap) we pull

closer (closer)

Up and down ridin' around like a rollercoaster

Most of the time you gon' get it just how you want

Got me hittin' it from the back, help from puff of the
blunt

Parent though mommy, give it to me all that you got

Sticky green in the sess mail blow up the spot

Put it down cause I been up in the county for three
months

You soft as cake baby, I'm hard as a tree stump

Please come your pretty ass to the edge of the bed

Lickin' your neck runnin' my fingers through the back of
your head

See the real in me, got you feelin' freaky and crazy

Just me and you girl goin' halves on the baby and gettin'
