(*the 187 repeats in background then jamaican
singing*)

(spice 1)

Murder from the mind of a sick nigga
Thinkin bodies, dirty money, bloody cocaine and tech
clips

I play with pistol grips, dead niggas and lolly tips
Suicidal sick shit, a psychopathic lunatic
Caught up in murder man, dirty up in this dead fool
Faces of death, hog my dreams out of drains fools
Pullin pistols, tellin niggas to get the fuck back
I'm regulatin shit, there's money up on my dope track
See I'm a soldier in this game, ain't nothin strange
Got a nigga lyin on the floor with half of his fuckin
brains

Murder and crazy it's just a part of the game
Niggas won't kill ya, just don't fuck with their caine
Mack 10 silencer all ya heard was screams
(ahhhhhh!!!)

All I seen was the gleams from the infra-red beams
Another motherfuckin walk-by in your hood
Better pack two clips up on your hips and it's all good
That nigga death, he got more faces than a
motherfucker
So don't be shocked if you're naked, bleedin in your
gutter, niggas

Ay bwoy, ay this is... in this mother...
