Worldwide, immortalized
Immortalized, worldwide
Worldwide, immortalized
Worldwide, worldwide, immortalized

Worldwide, immortalized
Smokin' endo with my killaz, we ride
Heat on the side, hella drama niggas die
In crossfire, can't let 'em slide

See the rigor mortis set in his eyes
Nigga surprise, you was dumped on by some G's on
the rise
It shocked yo ass when I pulled out the chrome
I was putting niggas in the tank before this rap shit
came along

Immortalized, through this thug shit that niggas are
spittin'
A chocolate philly, a bag of sticky green and a game to
spit
We on the mash, put a slug in niggas stoppin' my cash
Mothafuckas, wanna see me six feet in the grave

Thinking, I won't last
But I'm a soldier, I told you bitches, know what to fuck
The only way I'm fallin', is slippin' on one of you nigga's
blood
I'm in this shit for life and when my casket drop
Then, my thug presence be immortalized, like Biggie
and Pac
Hear my shit thump in nigga's trunks for blocks and
blocks
Immortal thug, shit'll never stop, immortalized

I can't believe these j-j-jealous niggas don't wanna s-s-
see me rise
Thuggin' in the caddy t-t-they got me t-t-thuggin'
worldwide
Eternal mobbin' immortalized, immortalized,
worldwide, worldwide

I can't believe these j-j-jealous niggas don't wanna s-s-
see me rise
Thuggin' in the caddy t-t-they got me t-t-thuggin'
worldwide
Eternal mobbin' immortalized, immortalized,
worldwide, worldwide

One thug to the niggas, like eazy soldiers who put a
dent in the game
It ain't the same, candy coated niggas claiming the
fame
It's not that my brain, this thug shit'll drive a nigga
insane
Diamond links and chains, with infra red we aim

Niggas loce'd up for the cash, when the real G's came
T-t-thuggin' laced up in my veins, I can't be changed
Immortalized, like dead presidents with they faces on
rocks
Ebonic sleazy is the language for the game that we
chop

Green leaves, canibus satives and Krystal
Fifty G's, making niggas bleed with pistols
Put it down 'cuz it ain't no time for fuckin' around
If a nigga wants to see six figures, enough, no less we
platinum bound

Remember me, the man with the fifty cal in my hand
Coming more savage than Tarzan, hear what I'm
saying?
Niggas picking up on my casket but I ain't sweatin' you
haters
'Cause if it wasn't for bitch ass niggas, it wouldn't be
real players

Represent to the fullest, at the same time dodging
bullets
This mob shit ain't easy, nigga, but somebody got to
do it
Immortalized, immortalized

I can't believe these j-j-jealous niggas don't wanna s-s-
see me rise
Thuggin' in the caddy t-t-they got me t-t-thuggin'
worldwide
Eternal mobbin' immortalized, immortalized,
worldwide, worldwide

I can't believe these j-j-jealous niggas don't wanna s-s-
see me rise

Thuggin' in the caddy t-t-they got me t-t-thuggin'
worldwide
Eternal mobbin' immortalized, immortalized,
worldwide, worldwide

Never die just multiply, thug niggas, immortalized
Energize like them batteries, caught up in the mob life
Niggas be talking that crazy shit, when they don't know
What the fuck they sayin', making money off rap music
When you was in elementary playin'

It's all real, shoot back at niggas, shooting to kill
Well, if it's fuck my life, it's fuck yo life, go to war with
steel
If you niggas ain't feeling me, fuck yo clique and yo
hood
It's Bossalini straight soldier, never went Hollywood

Always riding through the streets, hitting corners with
felons
In a bucket or a benzo, when we blast it ain't no tellin'
It's west side till my life expire
Mob music till the wheels fall off, mothafucker, we all
ride

Put the fire to the endo, sip on the Henn
'Cause you will never see a bad guy like this one again
Put it on you niggas, with no mask on
Straight smash, if it wasn't for rappin', I'd be jackin',
gettin' my blast on

I can't believe these j-j-jealous niggas don't wanna s-s-
see me rise
Thuggin' in the caddy t-t-they got me t-t-thuggin'
worldwide
Eternal mobbin' immortalized, immortalized,
worldwide, worldwide

I can't believe these j-j-jealous niggas don't wanna s-s-
see me rise
Thuggin' in the caddy t-t-they got me t-t-thuggin'
worldwide
Eternal mobbin' immortalized, immortalized,
worldwide, worldwide

I can't believe these j-j-jealous niggas don't wanna s-s-
see me rise
Thuggin' in the caddy t-t-they got me t-t-thuggin'
worldwide
Eternal mobbin' immortalized, immortalized,
worldwide, worldwide

I can't believe these j-j-jealous niggas don't wanna s-s-
see me rise

worldwide
Eternal mobbin' immortalized, immortalized,
worldwide, worldwide
