Spice heres go them niggas yo  
Hit that shit, hit that shit  
We all niggaz going down where the fuck ya all going  
down

Damn ain't this a bitch ya all got me fucked up  
On this ol' playa haten ass shit  
Know what I'm sayin'? Understand me?  
When I was broke you all niggaz didn't give a fuck  
If I was pissin' on myself, or shittin' off tha Bay Bridge,  
nigga  
Now you in my muthafuckin' mix talkin' that ol' crazy  
shit  
That's alright 'cuz I'm gonna bust a cap in that ass  
Me and Pac goin' let you know about  
That ol' playa haten ass shit though

Ya see these jealous muthafuckaz  
That be playin' me G  
Like a sucka ass nigga see  
That ain't feeling me  
It ain't easy  
To kill a G  
A muthafuckin' playa  
From tha F, A to tha C

Back stabbers in tha muthafuckin' place  
Smilin' in my face  
I got my hand on my gun  
'Cuz they got me on tha run  
Spice muthafuckin' one  
I'm for leavin' bodies numb  
I'm a G muthafucker  
Can't you see  
I'm a G  
Rollin' deep  
With my phat fo-fo Uzi

I comes with a big phat gat  
And hollow point clip  
And quick to be a soldier by my shit  
So nigga don't try no mo' shit

No ho shit 'cuz when I was broke  
Nigga didn't give a fuck  
About my statics  
Now that I'm at this  
I'm locked out and livin' lavish  
So fuck tha gun control about ta bust a cap nigga  
'Cuz tha jealous got me strapped

I keep my hand on my gun 'cuz they got me on the run  
Jealous got me strapped  
I keep my hand on my gun 'cuz they got me on the run  
Jealous got me strapped  
I keep my hand on my gun 'cuz they got me on the run  
Jealous got me strapped  
I keep my hand on my gun 'cuz they got me on the run

Now niggaz know that tha jealous got me strapped  
Stepping close to the edge  
I got tha cops and tha feds on my back  
And there's no way that I'm giving up  
I rather bury you bitches  
'Cuz ain't no to marks gonna worry my riches

If I catch yo ass in traffic  
(Humm)  
You betta pull for ya pistol an open fire  
Or get blasted  
(Boo Yahh)  
I'll be damned if I drop  
It don't stop  
I'm boxin' muthafuckaz with my glock  
A skinny ass Neva had a penny ass nigga  
I figure my Mashfurd pump will show them punks who's  
bigger  
(Blah)  
And even if I did fall, I'll still ball  
I'm bustin' muthafuckers with my back against the wall

Till these jealous ass bitches kill me  
I'll be thugin' like a muthafucker  
Nigga feel me  
And ain't no time for mistakes  
So homies watch ya back  
'Cuz these jealous ass tricks got me strapped

Jealous got me strapped  
I keep my hand on my gun 'cuz they got me on the run  
Jealous got me strapped  
I keep my hand on my gun 'cuz they got me on the run  
Jealous got me strapped  
I keep my hand on my gun 'cuz they got me on the run

Jealous got me strapped  
I keep my hand on my gun 'cuz they got me on the run

Homie ya know if I don't be runnin' with my strap  
Then I might get blasted  
Get blasted or blast  
That's how I'm livin'  
So I blast and blast the bastard  
I can't be worried about no jail time  
'Cuz niggaz they tryin' ta take my head  
I can't have shit if a nigga dead

So I bust back  
And break the bitch niggaz off propa  
with a four-four take nine a chopper  
And try and decapitate a niggaz arms from with his  
shoulders  
These jealous niggaz don't know they fuckin' around  
with a soldier

I don't be slippin'  
So nigga don't wait for me ta fall  
And if I got enough  
A hallow tip will smoke 'em all, y'all  
Envious niggaz prepare to fly off ya feet  
'Cuz I'm comin' with some muthafuckin' heat

Playa, so keep ya aim straight  
And hit a nigga on tha first shot  
'Cuz I'm a be tryin' ta make your muthafuckin' heart  
stop  
And don't be screamin' out for your family bitch  
'Cuz it was your choice  
That we jump into this gangsta shit

Jealous got me strapped  
I keep my hand on my gun 'cuz they got me on the run  
Jealous got me strapped  
I keep my hand on my gun 'cuz they got me on the run  
Jealous got me strapped  
I keep my hand on my gun 'cuz they got me on the run  
Jealous got me strapped  
I keep my hand on my gun 'cuz they got me on the run
