Y'all ready to do this shit? Bust

When I was young, I had the lust to pull the trigger
And make change out a five dollar ass, nigga
And as time went on, I gained much love
But seein' niggas', guts bust at a nightclub

Too young to get my ass in but they didn't trip
'Cause if I didn't get in, they knew I'd start shit
So I was treated like the muthafuckin' Pope
Security see me, so they scope

And follow me around like a flock of hoes
I had a squab with a bitch with a big ass nose
I started to knock the bitch out but before I could
I'm stopped short by a redneck peckerwood

But he was slow, with the other hand slapped the hoe
Then security rushed us out the backdo'
So when I grabbed the nine, they thought I'd go nuts
I'd roll by and bust caps at the grownup's

Young nigga, got bold and got the liquor
As a young, yeah

He said, "Young ass, nigga"
You dumb nigga, you
He said, "Young ass, nigga"
You dumb nigga, you

He said, "Young ass, nigga"
You dumb nigga, you
He said, "Young ass, nigga"
You dumb nigga, you

Well, what do you know, it's summer time
And every young nigga my age, is on the grind
Workin' for the city
A drugstore on every goddamn corner and niggas
actin' shitty

About who sell, where and whose dope is it

So, some niggas around the block, they paid us a visit
But we ain't comin' off shit but a drive by
I guess they wanna expand to go city wide

So we hung muthafuckas by the barbed wire
Whoever was a snitch or bitch or liar
And five O is gettin' kinda dense
'Cause the wire was missin' from a county jail fence

Breakin' off boulders
And the niggas from around the block, they said they
told us
Not to short stop, so my nigga got popped
I looked down and I'm shocked

To see him layin' dead by the bushes
As a young nigga

He said, "Young ass, nigga"
You dumb nigga, you
He said, "Young ass, nigga"
You dumb nigga, you

He said, "Young ass, nigga"
You dumb nigga, you
He said, "Young ass, nigga"
You dumb nigga, you

Shit is gettin' hectic, my mission had to flow smooth
We hit the corner in a sixty-five old school
Bustin' at niggas twice my age
Muthafuckas catchin' heat from my guage

They tried to shoot back but it ain't like that
'Cause I'm the nigga with the biggest gat
Hoes get fucked and eat the bullet
'Cause the trigger that got my nigga, one of them had
to pull it

My nigga with the nine said, "Forget it"
But I seen a nigga point his finger and say, "He did it"
I loaded up the clip and shot him in the dick
And kept on bustin' till his leg kicked

Now we Audi 5000, gee
The glasspacks on the sixty-five, got noisy
We had to smash
'Cause five O was right behind our ass

We had to get away, we dumped the A.K.
And the guage in the bushes on the way

The cops kept bustin', niggas kept cussin'
About which way to go fussin'

We hit the corner and they bust
At some niggas lookin' just like us
We knew it was about that time
Hopped out my homeboy's shit and into mine

We got away because they couldn't figure
Which one of the boys was that young nigga

He said, "Young ass, nigga"
You dumb nigga, you
He said, "Young ass, nigga"
You dumb nigga, you

He said, "Young ass, nigga"
You dumb nigga, you
He said, "Young ass, nigga"
You dumb nigga, you

He said, "Young ass, nigga"
You dumb nigga, you
He said, "Young ass, nigga"
You dumb nigga, you
