Stephen Marley:

Oh yeah

(Skat)

And she said she needs more than a friend

That's all I've ever been yo

Well, one said when are you gon overstand

(Skat)

And I remember the first day that we met ya

How could I forget cha

When you smile and I turned and I say to you yo

Yo your pure and true

I'm in love wit you

In love wit you

In love wit you

In love wit you

I'm in love wit you

In love wit you

In love wit you

In love wit you yeah

I'm so in love baby

I don't care what your mama say

Standing in love baby

I don't care what your sister say

(skat)

I need you

Eryka Badu:

He said he's really digging me

I don't know what to say

I can't imagine why I feel so weak

Say, say

That's when he took my heart in his hands

And kissed it gently

He opened up his lips then said this poetry

I'm in love wit you

In love wit you

In love wit you

Love you too

In love wit you

In love wit you

I'm in love wit you
In love wit you yeah
I'm so in love baby
I don't care what your brother say
I'm so in love baby
I don't care what the people say

Stephen Marley and Eryka Badu:

Well I try and I try
And I try
And I try
And I try
And I try
And I try
And I try

Stephen Marley:

Aeh, And you say you need more than a friend
That's all I've ever been yo
Well, one day you will overstand
(Skat)

Eryka Badu:

And when I look in your eyes I knew you were meant to
be
My soldier, so baby come on I need it desperately

-The rest is just repeated lines, basically back and forth
between Badu and
Marley-
