Yeah

Times a wastin  
Don't you take your time young man  
Keep on driftin and  
Aint no tellin where you'll land

Run baby, run, run  
Where you runnin to?  
And who you runnin from?  
Some people may not understand  
What it means to be a man  
Takin' full command  
Cause were

Livin in a world that's oh so strange  
Boy don't let your focus change  
Takin out the demons in your range, hey  
Livin in a world that's oh so fast  
Gotta make your money last  
Learn from the past, oh

Times a wastin  
Don't you take your time young man  
Keep on driftin and  
Aint no tellin where you'll land

Sweet love and sunshine  
If it's all in the air  
Then it's all on your mind  
Breathe baby  
Come back to the world  
Dig up all your pearls  
Teach the boys and girls, hey

Livin in a world that's oh so strange  
Boy don't let your focus change  
Takin out the demons in your range, hey  
Livin in a world that's oh so fast  
Gotta make your money last  
Learn from the past, oh

Oh baby we need to smile  
Oh baby we need to smile  
Oh baby we need to smile  
Oh baby we need to smile

Times a wastin  
Don't you take your time young man  
Keep on driftin and  
Aint no tellin where you'll land

Oh baby we need to smile  
Oh baby we need to smile  
Oh baby we need to smile  
Oh baby we need to smile

Oh, oh, oh, oh...

Times a wastin  
Don't you take your time young man  
Keep on driftin and  
Aint no tellin where you'll land

Aint no tellin, oh, oh...
