So, presently I'm standing  
Here right now  
You're so demanding  
Tell me what u want from me  
Concluding  
Concentrating on my music, lover, and my babies  
Makes me wanna ask the lady for a ticket outta town...  
So can I get a window seat  
Don't want nobody next to me  
I just want a ticket outta town  
A look around  
And a safe touch down  
Window seat  
Don't want nobody next to me  
I just want a chance to fly  
A chance to cry  
And a long bye bye...  
But I need u to want me  
Need you to miss me  
I need your attention  
I need you next me  
I need someone to clap for me  
I need your direction  
Somebody say come back  
Come back baby come back  
I want u to need me  
Come back come back baby come back  
Come back come back baby come back  
Come back come back baby come back  
So, in my mind I'm tusslin'  
Back and forth 'tween here and hustlin'  
I don't wanna time travel no mo  
I wanna be here  
I'm thinking  
On this porch I'm rockin'  
Back and forth light lightning hopkins  
If anybody speak to scotty  
Tell him beam me up...  
So can I get a window seat  
Don't want nobody next to me  
I just want a ticket outta town

A look around  
And a safe touch down  
Window seat  
Don't want nobody next to me  
I just want a chance to fly  
A chance to cry  
And a long bye bye...  
But I need you to miss me  
Need somebody come get me  
Need your attention  
Need your energy yes I do  
Need someone to clap for me  
Need your affection  
Somebody say come back  
Come back baby come back  
I want u to need me  
Come back come back baby come back  
Come back come back baby come back  
Come back come back baby come back  
But can I get a window seat  
Don't want nobody next to me  
I just want a ticket outta town  
A look around  
And a safe touch down...  
I just need a chance to fly  
A chance to cry  
And a long  
Bye bye
