EASY

(speaking)

"I use to be so lone
So lonesome...
Since you left
Baby ! "

(singing)

I'm gonna sing now
Even though my voice is gone
I'm gonna claim now
Even though my life is down

Izembenembede (come back)
Izembenembede, hey (come back)
Izembenembede (come back)

Izembenembede (come back)
Izembenembede, hey (come back)
Izembenembede (come back)

I'm gonna sing now
Even though my voice is gone
(woh hoo woh who)
I'm gonna claim now
Even though my life is down
(woh hoo woh who)

Izembenembede (come back)
Izembenembede, hey (come back)
Izembenembede (come back)

Izembenembede (come back)
Izembenembede, hey (come back)
Izembenembede (come back)

What about the good things
Since the time I met that bomb

What about my life Since you found
Yourself to be so strong, so nice, so beautiful...

Izembenembede (Come back)

I'm gonna sing now
Even though my voice is gone
(woh hoo woh who)
I'm gonna claim now
Even though my life is down
(woh hoo woh who)

Izembenembede (come back)
Izembenembede, hey (come back)
Izembenembede (come back)

Izembenembede (come back)
Izembenembede, hey (come back)
Izembenembede (come back)
