"Work Song"

I keep on working everyday
I keep on working everyday
Nobody cares what I used to say
They keep on dancing everyday

While I'm dancing in the darkness

Oh, I know
You, no guess
My sorrow

I keep on working everynight yeah
I keep on working everyday too
I keep on suffering everyday
I keep on warning everyday

Nobody hear me
And working in the dark is so hard
And I cry
But nobody hear me

I work on monday
I work on Tuesday
I work on Wednesday
I work on Thursday
I work on Friday
Saturday and Sunday

This is my Worksong
I sing it for workers
