An old cowboy went riding out one dark and windy day  
Upon a ridge he rested as he went along his way  
When all at once a mighty herd of red-eyed cows he  
saw  
A-plowing through the ragged sky and up the cloudy  
draw

Their brands were still on fire and their hooves were  
made of steel  
Their horns were black and shiny and their hot breath  
he could feel  
A bolt of fear went through him as they thundered  
through the sky  
He saw the riders coming hard and he heard their  
mournful cry

Yippie yi yaaaaay  
Yippie yi yohhhhh  
Ghost riders in the sky

Yippie yi yaaaaay  
Yippie yi yohhhhh  
Ghost riders in the sky

Their faces gaunt, their eyes were blurred, their shirts  
all soaked with sweat  
He's riding hard to catch that herd, but he ain't caught  
them yet  
'Cause they've got to ride forever on that range up in  
the sky  
On horses snorting fire as they ride on hear them cry

The riders rode on by him he heard one call his name  
You want to save your soul from Hell a-riding on our  
range  
Then cowboy change your ways today or with us you  
will ride  
Trying to catch the Devil's herd across the endless  
skies

Yippie yi yaaaaay  
Yippie yi yohhhhh
