"Jesus"

I ride the highway with Jesus
He drives the bus when I sleep
We're taking two of his creatures
And dropping them off down the street

Heeyyyyy-eyy-eyy-eyy-eyyyyyyy-eyy-eyyyyy!
I think we're lost Mr Jesus
I think we're lost without a trace
He said 'Don't worry little lady,
My old man helped build this place'

Heeyyyyy-eyy-eyy-eyy-eyyyyyyy-eyy-eyyyyy!
My mum and dad love you Jesus

My mum and dad say you're dead

They say they'll love you forever

They've got you tattooed to their heads

hey..
