Alright
Hey, hey
Alright

I've been feeling sick and tired
So put it down
Nowhere there's nothing in sight
So put it down

I just wanna get it right away
So put it down
Same feeling yesterday
Hey, hey, alright

I'm feeling through my bones
Yeah, yeah
I'm feeling all alone
Yeah, yeah

Come on, let's get it on
Yeah, yeah
I want to feel like I did all yesterday
Yeah, yeah, yeah
So put it down

It's something I want to do
So put it down
I want to do it with you and you
So put it down

Come on, get the feeling once again
So put it down
Come on, get it on my friends
Hey, hey, alright

I'm feeling through my bones
Yeah, yeah
I'm feeling all alone
Yeah, yeah
Come on, let's get it on
Yeah, yeah

I get the feeling that it's looking alright again
Yeah, yeah, yeah
So put it down
Yeah, yeah, yeah
Alright

A-one, two, a-one, two, three, four
I'm feeling through my bones
Yeah, yeah
I'm feeling all alone
Yeah, yeah
Come on, let's get it on
Yeah, yeah
I get the feeling that it's looking alright

I'm feeling through my bones
Yeah, yeah
I'm feeling all alone
Yeah, yeah
Come on, let's get it on
Yeah, yeah
I get the feeling that it's looking alright again

Yeah, yeah, yeah
So put it down
Yeah, yeah, yeah
Alright
Yeah, yeah
Hey, hey
