"There once was a time, before television, before  
motion pictures, before  
radio, before books... The greatest part of human  
existence was spent in such  
a time. And then..."

"Do you have anything to say about this before I launch  
it?"

"I do think it's both elegant and very beautiful"

"I wouldn't touch it with a plastic one"

My best friend has gone away  
From hearing all the things I say  
You want me to be your friend  
It depends how much you wanna spend

And I can't remember a word I said  
Can't remember a word I said  
Can't remember a word I said  
Can't remember a word I said

I'm so dull I bore myself  
Power is my only wealth  
You think i'm a big tough boy  
You're prepared to be a toy

And I can't remember a word you said  
Can't remember a word you said  
Can't remember a word you said  
Can't remember a word you said

No! Yeah! No! Yeah! No! Yeah!  
No! Yeah! No! Yeah! No! Yeah!  
No! Yeah! No! Yeah! No! Yeah!  
No! Yeah! No! Yeah! No! Yeah!  
No! Yeah! No! Yeah! No! Yeah!  
No! Yeah! No! Yeah! No! Yeah!  
No! Yeah! No! Yeah! No! Yeah!  
No! Yeah! No! Yeah! No! Yeah!  
No! Yeah! No! Yeah! No! Yeah!  
No! No?! No! No?! No! No?!  
No! No!? Yeeeeeeaaaahhh NO!!!!

(something) died right by my side  
I'll take you out for a ride  
Two things you can share with me  
Sex and insecurity

And I can't remember a word I said  
Can't remember a word I said  
Can't remember a word I said  
Can't remember a word I said
