### "A Different Day"

i 'm sitting at the station on a filthy bench  
and there's one big thing that i hate  
whenever i'm in time the train's already gone  
when i'm early it's ages delayed  
i'm passing by the village where the girl of my dreams  
lives in - she's what i'd die too see  
i love her dearly but i know  
she doesn't love me  
help me to resocialize  
from dancing in the shit i made  
i cannot find a single difference  
it's the same crap with a different day  
i remember yesterday i was sweating  
and the chances for a second summer had grown  
today it's below zero and i  
left my jacket at home  
i'm facing the most beautiful girl in the world  
she smiles at me ""hey, where are you from?""  
i swear, i try to respond  
but i don't know how to move my tongue  
my baby's gone, my best friend took her

when i shortly looked away  
i thought i could trust them  
but both of them led my astray  
i heard a wise man say ""boy, keep fighting in life  
and i tell you, i'm sure you'll get far!""  
well i think he should tell that  
to the friendly man who stole my car
