I have stood beside the wounded saint  
Whose faith was strong and sure  
And I've questioned why a loving God  
Would let the pain endure  
Yet in my struggle for assurance  
God reminds me once again  
That although I feel the burden  
The weight belongs to Him

### CHORUS

He carries those who carry the cross  
His arms reach deeper  
Than our deepest needs  
He carries those who suffer the loss  
When the way of Christ means sacrifice  
I will not fear the cost-Heaven knows  
He carries those who carry the cross

I've been blessed enough to witness grace  
From both sides of the pain  
And if I had to do it all again  
There's nothing I would change  
And so if I don't seem too troubled  
When the clouds are closing in  
It's because no storm can reach me  
That hasn't come through Him

### CHORUS

### BRIDGE

You know that He carried the weight  
Of the world upon His shoulders  
And I know He can carry you and me

### CHORUS
