CHORUS:

I realize (I realize)
We're losin' time (We're losing' time)
Who can deny (Who can't deny)
The power of Jesus Christ

Paint a picture of the loneliness
Our feelings in this world of emptiness
We're filled with silence
In need of a way
To speak when nothing was left to say

There's something better
For you my friend
A greater power to comprehend
Could it be possible eyes grow blind?
Should we exist just to live and die?

I've seen this all before
It seems to me there's so much more
And I can't help but testify

CHORUS

Don't underestimate the way it is
So many searching for some happiness
Though no one listens,
Still everyone's heard
You'd think by now
We'd have lived and learned

How can we close our eyes
When every day there's compromise?
We need the power of Jesus Christ

CHORUS

Words unspoken, what can anyone say?
There's no one, time has taken away
We're broken, separated and
Willing to suffer the pain

How can we close our eyes
When every day there's compromise?
We need the power of Jesus Christ

CHORUS
