Are you the one  
Who's lonely inside  
Coming undone  
And wondering why?  
You need someone  
Who will look past the pain  
Who will love you anyway

Around we go  
In circles of fear  
This world is cold  
Too few of us care  
Can we control  
The mess that we're in  
When we don't know where to begin?  
It's time to start all over again

(Chorus)  
When you call on me I'll always be there  
To pass a friend in need just doesn't seem fair  
We'll realize that there's no sense in running away  
To love the Good Samaritan way

I know it's tough  
It seems hope is gone  
It's not enough  
To simply move on  
I'll show you love  
When you are hurting inside  
I'll stay here through the night  
While the others pass on by

(Repeat Chorus)

You are not alone  
Even when the nights grow so cold  
Everywhere you go  
I'll be forever a friend  
(I'll be the Good Samaritan)

(Repeat Chorus)
