"Take Me"

Here in this world
It doesn't take long to discover the pain
I know all about
The heartache that comes with enduring the strain
But there you are holding the innocence
That I used to know
I'm longing to live in your holiness
Safe and sound, I'm letting go

(Chorus)

Take my hand
Take my heart
Take me into your arms where forever is waiting to
start
Turning me into every dimension of you I am able to be
Here I am, reaching out, will you please
Take me, Take me

Take me through life
Take me to people that you want me near
Walking with me
Holding my soul through the laughter and tears
Take me to where I am knowing you
in the deepest way
And one day when you say my work is done
My time has come, you'll hear me say

(Repeat Chorus)

Bridge:

Lord, give me a heart you can use
I will be reaching for you

(Repeat Chorus)
