When in the world did it get so hard
To follow your dreams to see beyond tomorrow
When did life become such a hollow place
When these are the days of expectations
I know that you've been searching
For the strength to carry on
Don't you know that He's been with you all along

(Chorus)

His love is a miracle
His love will never let you go
He held you on all the nights
You felt like you were lost and all alone
Just like a summer rain
Washing your fears away
His love is why we all keep holding on

Now is the time for moving on
To rise with the dawn into a higher place
There is no greater power
Than the love that Jesus brings
So call upon His name and you will see

(Repeat Chorus)

Bridge:

His love will never fail
His spirit dwells within my heart
His song forever fills my heart
Just call upon His name and you will see

(Repeat Chorus)

God's love is a miracle
His love will never let you go
He held you on all the nights
You felt like you were lost and all alone
Just like a summer rain
Washing your fears away
Love is the greatest miracle
God's love is the greatest miracle

His love is the greatest miracle of all
