The big beat keep you rocking in your seat
The big beat keep you rocking in your sleep
Clap your hands and stomp your feet
You got to move when you hear this beat
The big beat keep you rocking in your seat

Old grandpa, just made eighty years old
Man he's crazy 'bout this rock 'n' roll
The big beat get in your soul
Make you jump and make you roll
Old grandpa, just made eighty years old

Peg-Leg Joe threw his crutches away
The big beat make you act this way
Come on gang, let's swing and sway
The big beat make you act this way
Peg-Leg Joe threw his crutches away

The big beat keep you rocking in your seat
The big beat keep you rocking in your sleep
Clap your hands and stomp your feet
You got to move when you hear this beat
The big beat keep you rocking in your seat
