When I was a little boy my daddy used to say to me, so-  
on  
You've got a whole lot of livin' and a lot of hard work to  
be done  
He said, go get your marbles, put 'em in the house  
Tear down your castles in the sand  
Come with your poppy to this cotton patch  
Get a little dirt on your hands

Get a little dirt on your hands, boy, get a little dirt on  
your hands  
If you wanna grow up to be a big big man  
You gotta get a little dirt on your hands  
You gotta get a little dirt on your hands

Well I got to be twenty and I thought I was a pretty big  
whee-eel  
Left the country for the city, met a slicker with a shady  
dea-eal  
He said hold up the tavern, grab all the money  
Run as fast as you can  
If you wanna get along in this big bad world  
You've gotta get a little dirt on your hands

Get a little dirt on your hands, boy, get a little dirt on  
your hands  
If you wanna grow up to be a big big man  
You gotta get a little dirt on your hands  
You gotta get a little dirt on your hands

Well it's four in the mornin' and the warden is callin' my  
na-ame  
Said he's teachin' me a lesson, gonna send me out to  
work in the rain  
He said dig that ditch boy, chop that wood, I've gotta  
make you understand  
The only way to straighten out a boy like you  
Is to get a little dirt on your hands

Get a little dirt on your hands, boy, get a little dirt on  
your hands

If you wanna grow up to be a big big man  
You gotta get a little dirt on your hands  
You gotta get a little dirt on your hands  
You gotta get a little dirt on your hands  
You gotta get a little dirt on your hands  
You gotta get a little dirt on your hands  
You gotta get a little dirt on your hands  
Get a little dirt on your hands  
Ge
