I'll remain just another one of your bad decisions  
Let the records show  
Although I hit a new low,  
You were swimming at the bottom from the get go

Turn off those bright lights  
Twist onto me all night  
Is this the way to go?  
My gut says no,  
But your flesh say yes

You don't have to tell me that I'm awesome, it's a chore  
You can blossom premature  
Get your tour of the shore from the floor up

I know I brought you to a new low,  
But you were filthy on the bottom from the get-go  
I know, I know - you were filthy at the bottom from the  
get-go  
Let the records show  
I know, I know - you were filthy on the bottom from the  
get-go

Turn of those bright lights  
Twist onto me all night  
Is this the way to go?  
My gut says no

Turn of those bright lights  
Twist onto me all night  
Is this the way to go?  
My gut says no  
But your flesh say yes

Turn of those bright lights  
Twist onto me all night  
Is this the way to go?  
My gut says no  
But your flesh say yes

Turn of those bright lights

Twist onto me all night  
Is this the way to go?  
My gut says no  
But your flesh say yes
