You been bad, don't do what I say  
You don't listen, you never obey  
I try to teach you, but you just won't be good

You won't behave the way a big girl should  
It's time to give that whip a crack  
I'm gonna have to send you back to

Bitch School, Bitch School

You're a beauty, you're the best of your breed  
You're a handful and I know what you need  
You need training, gonna bring you to heel

I'm gonna break you with my will of steel  
Discipline's my middle name  
And no one comes back the same from

Bitch School, Bitch School

No more sniffing strangers or running free at night  
You think my bark's bad, honey  
Wait till you feel my bite, wait till you feel my bite

You got problems, you whine and you beg  
When I'm busy, you wanna dance with my leg  
I'm gonna chain you, make you sleep out of doors

You're so fetchin' when you're down on all fours  
And when you hear your master  
You will come a little faster, thanks to

Bitch School, Bitch School, Bitch School  
Come on, I will take you back to  
Bitch School, good girl
