Can't go back
To London
Can't go back
To Swindon
Can't go back
To Waterloo

Can't go back
To Debra
Can't go back
To Sheila
Can't go back
To girls like you
No

Here she comes
Lovely
Here she comes
Deadly
Here she comes
Big as life

There she goes
Snubs me
There she goes
Cuts me
There she goes
Like a knife

I got
Diva fever
It's stayin' on me
Diva fever
An' it's preyin' on me

Diva fever
She's born to thrill me
Diva fever
An' it's gonna kill me

And yet I would gladly die
Screaming in insufferable agony

If it meant I could spend
My last few moments gazing into her eyes

Can't go back
To London
Can't go back
To Swindon
Can't go back
To Waterloo

Can't go back
It's too late
Can't go back
She's too great
Can't go back
I can't deny

There she goes
Love her
There she goes
Hate her
There she goes
Want to die

I got
Diva fever
They'll never cure me
Diva fever
They won't insure me

Diva fever
My demon lover
Diva fever
I shan't recover
