One two, princes kneel before you, that's what I said  
now  
Princes, princes who adore you, just go ahead now  
One has, diamonds in his pockets, and lots of bread  
now  
This one simply wants to buy you rockets, hangin in his  
head now

Yeah, ( do-be-do's)

This one has a princely racquet, That's what I said now  
Got some big symbol on his jacket, Ain't in his head  
now  
Marry him your father will condone you, how 'bout that  
now  
You marry me, your father will disown you just go  
ahead now

Marry him, or marry me,  
I'm the one who loves you baby can't you see  
I ain't got no future or family tree but  
I know what a Prince and lover ought to be  
I know what a Prince and lover ought to be

So If you, want to call me baby, just go ahead now,  
And if you'd like to tell me maybe, just go ahead now,  
If you wanna buy me flowers, just go ahead now,  
and If you'd like to talk for hours, just go ahead now
