The window's dirty the mattress stinks  
This ain't no place to be a man  
I ain't got no future, I ain't got no past  
And I don't think I ever can

The floor is filthy the walls are thin  
The wind is howling in my face  
The rats are peeling, I'm losing ground  
Can't seem to join the human race

Yeah, I'm living in a hell hole  
Don't wanna stay in this hell hole  
Don't wanna die in this hell hole  
Girl, get me out of this hell hole

I rode the jet stream, I hit the top  
I'm eating steak and lobster tails  
The sauna's drafty, the pools too hot  
The kitchen stinks of boiling snails

The tax man's coming, the butler quit  
This ain't no way to be a man  
I'm going back, to where I started  
I'm flashing back into my pan

Yeah, that's what I'm doing  
And why not?

It's better in a hell hole  
Know where you stand in a hell hole  
Folks lend a hand in a hell hole  
Girl get me back to my hell hole
