short and sweet, my baby's all mine  
head to feet, she's barely 4'9"  
she don't come up to here and she stays down there  
she don't come up to here if you know what i mean

short and sweet, my little costar  
underneath my faulty radar  
she gave me everything, she don't want nothing  
she gave me everything, isn't she fine?  
short and sweet, wee aphrodite  
trãfÂ"s petite but mucho mighty  
mini muffin, ain't she something?  
mini muffin, sweet as a pie

short and sweet
