In ancient times hundreds of years before the dawn of  
history

Lived this strange rights of pain the  
[Incomprehensible]

No one knows who they were what they were doing  
But the legacy remains here into the living rock of  
Stonehenge

Stonehenge, where the demons dwell  
Where the banshees live and they do live well  
Stonehenge where a man is a man  
And the children dance to the pipes of pan

Stonehenge, 'tis a magic place  
Where the moon doth rise with a dragon's face  
Stonehenge where the virgins lie  
And the prayer of devils fill the midnight sky

And you my love, won't you take my hand?  
We'll go back in time to that mystic land  
Where the dew drops cry and the cats meow  
I will take you there, I will show you how

And oh, how they danced  
The little children of Stonehenge  
Beneath the haunted moon for fear  
That day break might come too soon

And where were they now  
The little people of Stonehenge  
And what would they say to us  
If we were here tonight
