What a fucking fool I've been
In an evil mood of life
External beauty faded
Me in a game of bites
What a fucking greed it was
To take a look inside
Diamonds seemed to hide
Behind this drapes of of snakes

[Chorus]
As I fell into
This black heaven in her eyes
Realized so cruel
My starry eyed demise

So I reached for her hands
To understand her sorrow inside
How helpless I've been
In our game of bites
As I opened my eyes
In a hurricane of light
A curse became my life
Through this second of paradise

A stone inside

Sadistic bonds
Longing for death
Into the gates
Of demon flesh

Medusa's smile was bitter
A fact for me to trust
In a resort
To blast this stone to dust
A poison way to handle
Such a beauty in life
Addicted to death
I found a way to hide

What a fucking fool I've been

In an evil mood of life
External beauty faded
Me in a game of bites
What a fucking greed it was
To take a look inside
Diamonds seemed to hide
Behind this drapes of of snakes

[Chorus]

As I fell into
This black heaven in her eyes
Realized so cruel
My starry eyed demise

Sadistic bonds
Longing for death
Into the gates
Of demon flesh
